

Compact Hand Crank Hose, Cord or Cable Storage Reels

AVAILABLE IN: **HAND CRANK**

112Y SERIES

COXREELS® 112Y Series "Challenger Storage" hand crank hose reels are light-weight, compact, versatile reels to store and maintain your hose or cord. Save time and effort while increasing the safety of your work environment. The standard 112Y reels feature a sturdy "U" shaped frame and all steel construction make this one tough little reel. The 112Y-CM reels have a high-quality two piece 1" steel tube frame structure. All listed models are supplied less hose. Stainless steel models are available for non 112Y-CM models.
